**Technical Section**

**Subject: Establishment of Sheep Development Blocks in Field Organizations and designating block heads thereof.**

**C I R C U L A R**

With recent creation of Veterinary Assistant Surgeon posts in the department, it has become imperative to work-out the jurisdiction of newly created VAS posts and to delimitate jurisdiction of older VAS posts; and subsequently designate the areas falling under jurisdiction of all such posts available in field as **Sheep Development Blocks** to be headed by Veterinary Assistant Surgeons. This is required to be done so that the hierarchy is maintained and Block heads can exercise proper control on staff and centres existing within their jurisdictions.

In backdrop of above, all District Sheep Husbandry Officers are directed to do the needful at an earliest under intimation to this office
