Subject: - Deployment of staff to Highland Pastures during summer for the year 2017-18.

CIRCULAR

It has come to the notice of this office that some employees of the Departmental farms and field organisations are reluctant to migrate with the livestock to the High Land Pastures. In this context it is for the information of all the concerned that it is incumbent upon all the staff which includes Veterinarians / Para-veterinarians & Assistant Stockman to perform their duties at High Land Pastures with the livestock. It should be known to everyone that the said staff is meant for the welfare of the livestock and has to move with it wherever it migrates. It is as such reiterated that no one is exempted from High Land Pasture duties. The District Sheep Husbandry Officers & Deputy Directors / Assistant Directors/ Officer Incharges of the Farms shall take all measures to deploy the staff of all classes to High Land Pastures as per practice in vogue for Healthcare / other Departmental activities. Anybody showing reluctance for being deployed to the High Land Pastures without any valid reason should not be spared and idle wages should not be paid to such officials.

It is further impressed upon all the District /Farm officers to arrange their own tour programmes to the High Land Pastures periodically for better monitoring and working of established First Aid Camps.
