**Subject: Suo-moto disclosure of the information - Implementation of Section 4 of J&K RTI Act 2009.**

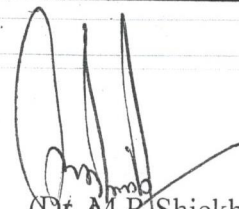

**C I R C U L A R**

The administrative department, while referring a communication of J&K State Information Commission, has passed fresh instructions for implementation of Section 4 of the J&K RTI Act 2009. Its implementation involves suo-moto disclosure of the information on the official website on the broader headings mentioned in said section of the Act.

Previously attempts were made by RTI cell to impress upon all sections of the directorate for appropriate action in pursuance to it, however, till date only technical section has responded by furnishing the requisite information to I/C departmental website and the same stands uploaded on the website. The other sections have failed to make any progress so far in this regard.

In backdrop of above and in view of latest instructions from both SIC and administrative department it is once again impressed upon all section-heads of this directorate to compile the information upto 31-03-2017, pertaining to them under section 4 of the Act; and furnish the same to incharge website for uploading on the official website of the department, **within 10 days positively** failing which the concerned section-head shall be squarely responsible for the consequences.

**Note: Compliance in this regard is to be communicated to administrative department by next month.**
