email: kashmirmerino.sheep@gmail.com

Subject: - Maintenance of history record of Government Rams in field/farm organisations

CIRCULAR

In order to emphasize on efficient record keeping the department has come up with publication of ram history record booklets which will contain all the information like identification number of animal, production traits, health records etc pertaining to Government rams at a glance. Proper updation of these booklets as per the format will bring homogeneity in record maintenance & will serve as a useful tool while transferring the ram from farm to field organisations or from one field organisation to another as the details given in the document will throw instant light on the performance of the ram.

In this regard all the District Sheep Husbandry Officers/Farm Officers of this department are directed to depute their technical assistants to the technical section of this directorate for collection of ram cards as per the ram component of their organisation as well as appraisal regarding the fulfilment of the record booklets.
